

# Preview: Airbnb Turnover Cleaning SOP

This is a **\*\*preview excerpt\*\*** from the full Airbnb Turnover Cleaning SOP Kit. The complete version includes standardized checklists, restocking guides, onboarding processes, and more. See below for a sample of the Turnover SOP.

## Turnover Cleaning SOP (Preview)

### 1. Entry Prep

- Unlock and disarm the property.
- Turn on all lights and open curtains for visibility.

### 2. Kitchen

- Empty fridge of guest items and wipe shelves.
- Load and run dishwasher (or hand wash if needed).
- Wipe counters, stovetop, and inside microwave.

### 3. Bathroom

- Disinfect toilet, sink, tub, and all handles.
- Replace towels and restock toilet paper.
- Remove any used soaps or toiletries.

### 4. Bedrooms & Living Areas

- Strip and remake beds with fresh linens.
- Dust all surfaces.
- Vacuum all carpets and mop hard floors.

**Note:** This is just a partial preview. The full kit includes SOPs for quality control, restocking, damage escalation, and more — designed for Airbnb hosts managing 1–10 properties.
